

CIAI • THE CREDENTIALING INSTITUTE

Learn with ArthurAI™. Certify with CIAI.

The credentialing institute behind AI Professional 360™. AI fluency for every industry.

CIAI is the virtual learning institute that certifies AI fluency for the global workforce. Curriculum authored by Eve; delivery substrate is ArthurAI™ VLE — adaptive, multilingual, personalized. The certification is the credibility signal procurement teams need when evaluating workforce-development frameworks.

01

Foundational Tier

AI Professional 360™ (formerly The Dawn Directive™) — applications open. 18 courses, 360 hours, 12 months, one professional credential.

02

Industry Tier

Coming soon. Vertical-specific AI fluency programs for Finance, Healthcare, Marketing, HR, Legal. Built on the AI Professional 360™ foundation.

03

Advanced Tier

Future path. AI Collaboration & Team Leadership, AI Governance & Ethics, AI Readiness for educators, executives, and policy leaders.

04

Delivery Substrate

Delivered on ArthurAI™ VLE, licensed from MindHYVE.ai — adaptive, multilingual, mobile-first, browser-deployable.

05

Vendor-Agnostic

Not a single tool that expires next year: durable habits — how to direct AI, check its work, and keep the judgment that's yours. Skills that transfer when the tools change.

06

Institutional Bridge

CIAI is the credentialing authority; MindHYVE's institutional partnerships extend its reach — live with LaGrange; CNU, PEC and IUCEA going live soon; an MoU with Kadisco.

ROADMAP THROUGH 2027

ON THE ARCHITECTURE

CIAI, LLC is an independent organisation, founded by Bill Faruki, who also founded MindHYVE.ai; it licenses ArthurAI™ from MindHYVE.ai and the two work closely together. AI Professional 360™ is a CIAI trademark, used under license. The delivery substrate is ArthurAI™ VLE — MindHYVE operates the OS; CIAI brands and certifies the curriculum.

ON TRUST + COMPLIANCE

Vendor-agnostic by design. Curriculum updates quarterly as the frontier-model landscape changes. Credential standards aligned to workforce frameworks (NAVTTTC in Pakistan, EQF in EU, CTE Perkins V in US). 100% online, multilingual, with accessibility built in.
